On June 17, 2019, the City created an Economic Development Committee (EDC) with the purpose of:

- A. Advising the City on the development and implementation of business retention/expansion programs;
- B. Advising the City on the implementation of a marketing program to attract new business and industry;
- C. Monitoring business activity and trends on the local, State, and national level;
- D. Establishing a focal point for businesses to approach and discuss issues that affect them; and
- E. Engaging representatives from community and regional entities as appropriate on matters for economic development.

The EDC is soliciting feedback from the community regarding what type of businesses residents would like to see in Darien. In summary, municipalities segment the land under their jurisdiction into zoning districts, each of which is governed by specific ordinances that dictates the categories of businesses that can operate within that district. You can review Darien's zoning ordinance at https://www.sterlingcodifiers.com/codebook/index.php?book_id=302. Your participation in this survey is greatly appreciated.
