COMMUNITY ASSISTED RIDES

Make a Difference as a CARS Volunteer!

Community Assisted Rides (CARS) provides local older adults with safe, accompanied ride services and friendly outreach. The older adults CARS serve are our parents, neighbors, former teachers and childhood leaders—a generation of people whose wisdom and talents shaped our community. Now they need a little assistance from us—not just to stay connected to their community, but to get to essential appointments and life-enhancing errands when they no longer feel comfortable or are unable to drive themselves.

As a CARS volunteer, you'll bring security, dignity, and companionship to local older adults while cultivating a community whose citizens look out for one another. Plus, our volunteer schedules are highly flexible and all training is provided!
